

## Conditions of use of **thawte**® Trusted Site Seal

### - Who Can Use the **thawte** Trusted Site Seal?

Any person, or company who uses a valid **thawte** SSL Web Server certificate or SGC SuperCert is welcome to display the relevant **thawte** Trusted Site Seal on their website under the following conditions:

- The **thawte** Trusted Site Seal will only display correctly for the exact domain you acquired a certificate for.
- If the secure part of your site has a different top level domain, you are not allowed to display a **thawte** Trusted Site Seal.
- If the secure part of your site has the same Top Level Domain but a different host (i.e www.domain.com is a registered domain but secure.domain.com is the secure part of the site) you may display our Second Tier Site Seal.

If you are not using a **thawte** SSL Web Server or SGC SuperCert for your exact domain, you are not entitled to use the **thawte** Trusted Site Seal.

You also agree to receive communications from us from time to time.

### - Alterations to the **thawte** Trusted Site Seal

You may not alter the **thawte** Trusted Site Seal displayed on the **thawte** website.

### - Prohibited Use

The **thawte** Trusted Site Seal may not be used in any way that will mislead Internet users into believing that a web page or website is secure, when in fact it is not.

### - Intellectual Property Rights

The name "**thawte**" is the registered trademark of **thawte** Consulting (Pty) Ltd, a VeriSign Company, and any company other than **thawte** Consulting (Pty) Ltd has no rights in and to the name "**thawte**", and to its various logos and site seals, and may only use them as specified in these Conditions of Use.

### - Optional Text to Use with the **thawte** Trusted Site Seal

If you qualify to use the **thawte** Trusted Site Seal you may use the following text to explain its use:

"This website is secured using a **thawte** Digital Certificate. This ensures that all information you send to us via the World Wide Web will be encrypted. Please click on **thawte** Trusted Site Seal which demonstrates our commitment to your security."

### - VeriSign

Nothing contained herein authorizes you to use the various VeriSign logos and Site Seals.

**By using a **thawte** logo or Trusted Site Seal on your website, you indicate your acceptance of these conditions of the use of **thawte**'s logos and Site Seals.** If you do not agree to and accept these conditions please do not use the **thawte**'s logos and Site Seals.
